To Whom It May Concern;

Tim Smith has been instrumental in providing the experience, knowledge and expertise to help make our dreams of a one of a kind exhibition, breeding and boarding equine facility become a reality.

The support and assistance Tim provided in all aspects of our project far exceeded our expectations. He was at all times professional, completely accessible guiding us through the process from start to finish.

The result was a beautiful, professionally designed, highly functional, equine facility that became our pride and joy.

I can personally recommend Tim Smith, Wynn-Smith Landscape Architecture Inc., for any and all equine related projects.

Sincerely,

Lorene Norris, President
